Football Turf

Most-requested build for Fitoverse - used for box-turf rentals, residential societies, schools, and full-size 11-a-side grounds. Surface choice and infill dominate the quote.

Court types

Type	Length x Width	Best for
5-a-side	25-42m x 15-25m (82-138ft x 49-82ft)	Box turf / fitness / residential
7-a-side	50-65m x 30-45m (164-213ft x 98-148ft)	Standard commercial turf
11-a-side (club)	100-110m x 64-75m (328-360ft x 210-245ft)	School / club ground
11-a-side (FIFA)	105m x 68m (344ft x 223ft)	Tournament grade

Surface / turf options

- * 40mm artificial grass - entry level, kids facilities
- * 50mm 3rd-generation grass - most common standard
- * 60mm professional turf - FIFA-quality
- * Natural grass - high maintenance, premium clubs
- * Hybrid grass - natural + synthetic strands

Infill

- * SBR rubber granules - default in India, lowest cost
- * TPE granules - eco-friendly, higher cost
- * Cork + coconut fibre - premium, no heat retention
- * Sand only - cheapest, hot surface

Sub-base

- * Compacted earth + sand + gravel - entry-level
- * Concrete base - premium, drains well
- * Shock-pad layer (~10mm) - FIFA-recommended

Goal posts (per a-side)

- * 5-a-side: 12ft x 6ft
- * 7-a-side: 16ft x 7ft
- * 11-a-side: 24ft x 8ft (regulation)

Equipment & fixtures

- * Goal nets (3mm or 4mm polyester)
- * Corner flags
- * Substitution boards
- * Dugouts (covered team benches)
- * Spectator benches

Fencing

- * Chain-link 8-12ft (basic)
- * Welded mesh (premium)
- * Gate width: 8-10ft

Lighting (outdoor)

- * LED flood: 200-400W per pole
- * Pole height: 6-12m
- * Lux: 200-500 (amateur), 500-1500 (tournament)

Cricket

Common in India as box cricket, school grounds, and club outfields. Pitch length is the most varied parameter - sales should confirm before quoting.

Court types

Type	Pitch	Boundary
Box cricket	12 yd (36ft)	60-80ft x 30-50ft enclosed
Compact net cricket	22 yd (66ft)	Narrow enclosed
Junior ground	22 yd	50-60m boundary
Club ground	22 yd	65-75m boundary
International	22 yd	75-90m boundary

Pitch length variants

- * Regulation - 22 yd (66ft)
- * Senior-junior - 18 yd (54ft)
- * Youth - 16 yd (48ft)
- * Compact / box - 12 yd (36ft)
- * Kids - 9 yd (27ft)

Pitch surface

- * Cement concrete - most durable, common in India
- * Astro turf pitch mat - low maintenance
- * Coir matting - traditional, removable
- * Synthetic matting - affordable
- * Clay - premium, requires roller + maintenance

Outfield

- * Natural grass (roller + irrigation)
- * 50mm artificial turf
- * Mixed (turf outfield + cement pitch)

Equipment

- * Stumps (3 per end, 28in tall)
- * Bails (4in)
- * Sight screens (white, 12ft x 8ft)
- * Boundary rope or markers

Fencing

- * Cricket netting 25-30ft (for box cricket)
- * Chain-link perimeter (open ground)
- * Roof netting (full enclosure)

Basketball

Half-court 3-on-3 dominates Indian residential and school builds; full-court 5-on-5 only for serious clubs. Hoop type and backboard material drive the quote.

Court types

Type	Dimensions	Best for
3-on-3 / FIBA half-court	12.5m x 15m (41ft x 49.2ft)	Schools / clubs / events
Junior half-court	30-40ft x 25-35ft	Residential / kids
Driveway / recreational	30-50ft x 20-30ft	Home use
5-on-5 FIBA full	28m x 15m (91.86ft x 49.2ft)	Commercial / tournament
5-on-5 NBA full	94ft x 50ft	Premium

Surface options

- * Acrylic outdoor - most common (sports paint over concrete)
- * PVC / vinyl roll - indoor
- * PU (polyurethane) sports flooring - premium indoor
- * Wooden parquet - premium indoor (pro arenas)
- * Modular interlocking tiles - portable, rapid install
- * Concrete only - cheapest, hard on joints

Sub-base

- * Concrete slab - industry standard, must be cured + level
- * Asphalt - cheaper, cracks faster

Surface colors

- * FIBA blue + red (pro look)
- * Single tone (any color)
- * Multi-zone (3-point area highlighted)

Hoop options

- * In-ground concrete-mounted - permanent, club / school
- * Portable with sand/water base - driveways, temporary
- * Wall-mounted - indoor halls, gymnasiums
- * Adjustable (7-10ft) - kids / mixed-age
- * Fixed regulation 10ft - adult / tournament

Backboard

- * Tempered glass - premium, 6ft x 3.5ft
- * Polycarbonate / acrylic - outdoor
- * Steel mesh - cheap, kids only

Equipment

- * Rim (18in, 10ft from ground)
- * Spring rim (dunk-safe)
- * Nylon net (21in)
- * Scoreboard (manual or electronic)

Fencing

- * Mesh / chain-link 12-15ft (ball containment)

Pickleball

Fastest-growing racquet sport in urban India. Court is small (20ft x 44ft) - fits in driveways and rooftops.

Court types

Type	Court	Total area (with buffer)
Singles	20ft x 44ft	30ft x 60ft
Doubles	20ft x 44ft (same)	30ft x 60ft
Tournament	20ft x 44ft	34ft x 64ft (full run-off)

Surface

- * Acrylic sports surface - most common
- * Cushioned acrylic - premium, easier on joints
- * Concrete only - basic
- * Asphalt + acrylic topcoat - durable mid-range
- * Modular tiles - portable

Equipment

- * Net: 22ft wide, 36in at posts, 34in at center
- * Posts (steel, in-ground)
- * Paddles + balls (not part of build)

Fencing

- * Chain-link 10ft

Tennis

Premium build. Indian outdoor builds default to hard-court acrylic; clay is rare. Junior variants exist for kids' coaching academies.

Court types

Type	Court	Recommended total
Singles	27ft x 78ft	60ft x 120ft
Doubles	36ft x 78ft	60ft x 120ft
Junior 10U (red ball)	18ft x 60ft	-

Junior 12U (orange ball)

23ft x 78ft

-

Surface

- * Hard court / acrylic - most common in India
- * Cushioned acrylic - premium
- * Clay (red or green) - slow, European style
- * Grass - traditional, Wimbledon style
- * Synthetic grass - recreational

Equipment

- * Net: 42in at posts, 36in at center
- * Umpire chair (tournament)

Badminton

Mostly indoor. Ceiling height is critical (25ft minimum). PVC vinyl mat is the workhorse surface.

Court types

Type	Court
Singles	17ft x 44ft
Doubles	20ft x 44ft (same court, different lines)
Minimum ceiling height (indoor)	25ft

Surface

- * Wooden parquet - premium
- * PVC vinyl mat - most common in India
- * Synthetic acrylic
- * Cushioned PU sports flooring - pro

Equipment

- * Net: 20ft wide, 5ft at posts, 5ft 1in at center
- * Posts (5ft 1in)

Volleyball

Indoor regulation, beach, and recreational variants. Beach builds need 30cm sand depth.

Court types

Type	Dimensions
Indoor regulation	29.5ft x 59ft (9m x 18m)
Beach volleyball	26.25ft x 52.5ft (8m x 16m)
Recreational	Smaller variants accepted

Surface

- * Wooden floor (indoor pro)
- * PU sports flooring (indoor)
- * PVC sports flooring (indoor)

- * Sand (beach, 30cm depth)
- * Synthetic grass (recreational outdoor)

Equipment

- * Net: 7ft 11.6in (men), 7ft 4.2in (women)
- * Steel posts, padded

Multisport (combined facility)

Box-turf operators almost always want football + cricket on the same surface. Indoor halls combine badminton + basketball + volleyball.

Court types

Combination	Why
Football + Cricket	Most common box-turf combo, shares artificial turf
Basketball + Pickleball	Same rectangular acrylic court
Tennis + Pickleball	Same court dimensions, just relined
Football + Basketball + Volleyball	Large multi-purpose ground
Badminton + Basketball + Volleyball	Indoor sports hall

Surface compromise

- * Artificial turf works for football + cricket
- * Acrylic works for basketball + tennis + pickleball + volleyball
- * Wooden / PU works for badminton + basketball (indoor)

Marking strategy

- * Color-coded lines per sport (white for primary, yellow/red for secondary)
- * Legend printed on sidewall

Customer Information Checklist

Use this on the first sales call. Fill it out alongside the customer - the answers feed directly into the Court Designer wizard in the tool.

A - Site basics

- ☐ Plot length (ft)
- ☐ Plot width (ft)
- ☐ Plot shape (rectangle / square / irregular)
- ☐ Indoor or outdoor
- ☐ Ceiling height (if indoor)
- ☐ Existing sub-base (concrete / asphalt / earth / none)
- ☐ Drainage gradient available?
- ☐ Sunlight exposure (full / partial / shaded)

B - Use case

- ☐ Primary sport (single or multi-select)
- ☐ Secondary sports (if multisport)
- ☐ Age group (kids / adults / mixed)

- ☐ Use type (commercial rental / society / school / club / personal)
- ☐ Expected daily usage hours
- ☐ Tournament-grade required?

C - Sport-specific config

If Football

- ☐ A-side preset (5 / 7 / 11)
- ☐ Turf grade (40mm / 50mm / 60mm / natural)
- ☐ Infill type
- ☐ Goal post size
- ☐ Dugouts required?

If Cricket

- ☐ Pitch length (22yd / 18yd / 16yd / 12yd / custom)
- ☐ Pitch surface (cement / astro turf mat / coir / clay)
- ☐ Box cricket (enclosed) or open ground?
- ☐ Sight screens?

If Basketball

- ☐ Court type (3-on-3 / 5-on-5 half / 5-on-5 full)
- ☐ Surface (acrylic / PU / wooden / tiles)
- ☐ Hoop type (in-ground / portable / wall-mounted / adjustable)
- ☐ Backboard material (glass / acrylic / steel)
- ☐ Scoreboard required?

If Pickleball / Tennis / Badminton / Volleyball

- ☐ Singles / doubles markings
- ☐ Net type
- ☐ Surface preference

If Multisport

- ☐ List sports in priority order
- ☐ Confirm surface compromise acceptable

D - Perimeter

- ☐ Fence height (8 / 10 / 12 / 15 ft)
- ☐ Fence material (chain-link / welded mesh / netting)
- ☐ Gate location (north / south / east / west)
- ☐ Gate width
- ☐ Roof netting required?

E - Lighting (outdoor)

- ☐ Night play required?
- ☐ LED flood-light count
- ☐ Pole height
- ☐ Lux target

F - Add-ons

- ☐ Dugouts (count)

- ☐ Scoreboard (manual / electronic)
- ☐ Spectator seating (count)
- ☐ Changing rooms
- ☐ Washrooms
- ☐ Storage room
- ☐ Drinking water station

G - Branding

- ☐ Court name (e.g. 'Court 1')
- ☐ Sponsor logos on perimeter?
- ☐ Customer logo on court center?
